CT SEC Net Script

- This is *<call sign>*. Does anyone need to use the repeaters before we start the Net?
- Can the control operators please tell me which machines are currently linked?
- Calling the Connecticut Amateur Radio Emergency Service Net … CT ARES Net
- This is *<name>*, *<call sign>*, *<ARES position if any>*, and I'm net control for this session of the ARES Connecticut Section Net.
- Is there anyone who needs to pass emergency or priority traffic?

This net meets on Sunday evenings at 8:00 PM Eastern Time for the purpose of providing communication between Connecticut ARES members and leadership officials.

This is a directed net. Please check in if you're a Connecticut ARES member, Connecticut Section Official, ARES leadership including DECs or their delegates and all amateurs with an interest in or with information specifically for this net.

At this time we will take check-ins by Regions.
- Region 1
- Region 2
- Region 3
- Region 4
- Region 5
- Any Region, Echolink, or outside CT?
- Are there any Bulletins or Announcements for the Net?
- Any other Business for the Net?
- Next weeks' Net Control will be _____

My thanks to everyone who participated in tonight's net. This concludes this evening's ARES net. Our thanks to Dana KB1AEV and to the trustees of the various repeaters and their control operators for the use of the repeaters.

This is *<call sign>* closing the net at <time> hours and returning the repeater system to normal operation. Please allow a moment for the control operators to delink their repeaters.

Thank you and Good night. <call sign> clear.
